

Bree Morgan SOLO

Start Date: 5/30/2022 12:00 PM

End Date: 5/30/2022 3:00 PM

Bree Morgan has always known that she was meant to be a musician. You can tell by the passion in her voice that she loves what she does and since she was just a child, music was in her blood.

From listening and rapping to her mom's hip hop CDs, singing along to every 90's female country artist or a rock/ pop song on the radio, or even playing around on her first guitar; something inside of her moved her enough to pursue a life of music.

She has performed across the Midwest in bands and Morgan now has set out on her own course to share her fun, energetic, and passion for music as a solo artist, all while managing her own full band Bree Morgan Reloaded.

Bree has opened for country music stars such as Martina McBride, Joe Nichols and Craig Campbell, and has one studio album, "TRASH" under belt with another on the way. Morgan also has attained multiple songwriter awards through the local Wisconsin scene.

Bree's latest single "Dear Cowgirl", released March 4th, has been her biggest success yet, and has wiggled its way into the hearts of every COWGIRL out there.

"To all my cowgirls; you are loved, you are beautiful, and you are a badass" - Bree
