End Date: 7/8/2022 11:00 PM

The Solution is a group of five seasoned rock music veterans currently living in the Madison, Wisconsin area with varying musical backgrounds and accomplishments, all striving to develop the best live music experience possible. The Solution brings great rock music of the past through to the 21st century and delivers it in a fashion that will get you off your feet and onto the dance floor! A solid and powerful drum and bass low end – a precise guitar duo that each complement the other’s style – and a front man with unmatched passion that completes the whole package!

The members of The Solution have been recording and publishing music in bands for many years. Their line-up consists of Jim Bandt on drums, Mark Owens on bass/backing vocals, Gary Ellis and Mike Ales on guitars/backing vocals, and Adrian Grimes leading vocals and all stage antics. The Solution will satisfy your rock ‘n’ roll appetite, leaving you hungry for more.

Join us Friday, July 8TH from 7-11PM for a great performance from The Solution!
