2AM is a newly formed cover band based out of Madison, WI. We play rock, pop, and a little country too. Everything from 80's classics through today's hits. Covers include Van Halen, Joan Jett, Heart, Pink, Miranda Lambert, AC/DC, and Kelly Clarkson, to name a few. Do you want to have fun and dance??? 2AM has that covered. Do you want to rock out and pump your fist in the air??? We've got that covered too. 2AM features three veterans of the local music scene and a very talented newcomer.
