A multi-award-winning singer/songwriter & acoustic guitarist with Roots, Rock, & Americana song styling, Mark Croft is the classic 'triple threat'; a skilled guitar player, a powerful & dynamic vocalist, and a talented songwriter & entertainer.

"He’ll play the prettiest thing you ever heard, then do a 180 and start cranking on that acoustic like there’s no tomorrow, creating a freight train of a groove that drives right through you. It doesn't matter the genre, Mark can play it."
