

Brandon Beebe

Start Date: 7/25/2021 3:30 PM

End Date: 7/25/2021 6:30 PM

At a time when music can be emotionally veiled and detached, Beebe connects with audiences with lyrical sincerity and rich, soulful vocals reminiscent of Cat Stevens, Elliott Smith, and Ray Lamontagne. At the same time, Beebe brings audiences to their feet, dancing to such stirring live-looped songs as "She's the Moon" and "Keep Running". Beebe's skills with the looping pedal allow him to showcase his multi-instrumental talents to create a larger than life, spontaneously exciting experience for the audience. Recent accolades include Madison Magazine's "Best Singer/Songwriter", "Best Folk/Americana", and "Best Alternative/Indie" artist. Additionally, the largely influential website/recording studio Daytrotter.com has recently voted Brandon's song "Ashes" as one of the top of the year. Channeling a wide variety of influences, with a spiritual nod to the past and a sound all his own,
