HISTORY OF ANCHOR

The hottest spot on the rock....

Anchor Inn was established in 1933,
known for having the best burgers around!

The original Anchor building burned down in August of
2014. In spring of 2016 the expansive bar, restaurant and
event venue that you see today was built in it's place. The
new Anchor Bar & Grill features a unique menu, multiple
banquet spaces and live outdoor music on our floating
River Stage all summer long!

New in 2021 Anchor has expanded to include Anchor Marina
and Rock River Watersports. We are the hottest spot for
fun, food and music!
